

Allergen Statement

Methyl Salicylate 99% USP/NF/FCC Grade, Kosher

This product have been evaluated for the source of the raw materials used in their production by the manufacturer. There are no raw materials, including additives, used that have origin in peanuts, soybeans, milk, eggs, fish, shellfish, tree nuts, wheat, gluten, celery, mustards, sesame seeds, sulfur dioxide and sulfites at concentration of more than 10mg/Kg as expressed as SO₂. Based on this examination of the ingredients and their sources, these products are free of the specified known allergy stimulating food substances as listed by the FDA and EU directives. Measures are in place to ensure there is no contamination by these substances in processing equipment, storage, or handling and packaging procedures.
