

Allergen Statement

Potassium Iodide Powder (Crystals) USP/FCC/Food Grade

Potassium Iodide Powder (Crystals) USP/FCC/Food Grade is a synthetic chemical and not derived from any animal or plant origin. Due to the synthetic nature of the product common allergens and common sensitive ingredients are not introduced into the finished product. Lab Alley declares that the above mentioned product is allergens free.

However, Potassium iodide contains a significant amount of iodine which is a known allergen. Potassium iodide may cause an allergic reaction in individuals that are allergic or sensitive to iodine.
